January 2009

Work Order #: TT 269

INTERSECTION IMPROVEMENT PLANNED

In mid January, the Maricopa County Department of Transportation (MCDOT) contractor will begin installing new traffic signals at the intersection of Northern Avenue and Litchfield Road. Additional improvements include installing a section of sidewalk. The project is slated for completion in April 2009.

TRAFFIC RESTRICTIONS

During the installation process, traffic lane restrictions are anticipated. Be alert to changes in the temporary construction signage and flag persons when driving through the construction zone. Please allow yourself extra time when driving through the area, as there may be traffic delays. Access will be maintained for residents, businesses and emergency vehicles at all times.
